A Great Multitude Gather on the Expostion Grounds to Pay Honor to the President-Military Review the Princi-For Washington Tonight.

GROVER CLEVELAND. crowds yesterday swelled the throng on the streets to immense proportions and locomotion soon became a difficult matter. In accordance with the plans the exposition management exercises of the day were all concentrated within the exposition grounds into which the multitude of visitors and a large proportion of the population of the city employed themselves during the morning.

The presidential party spent the morning quietly at the Aragon, where they remained until 11 o'clock, when they were driven to the exposition grounds without any parade whatever. Inside the gates the military was already gathered. Captain J. F. Barke of the Gate City guards acted as marshal. He had in line the Fifth regiment of United States regulars, commanded by Colonel W. L. Kellogg; tary Institute cadets, commanded by UTTITUD, Colonel D. Price; First company Governor's Foot guard of Connecticut, commanded by Major E.
